

Welcome To Willow Glen Stud

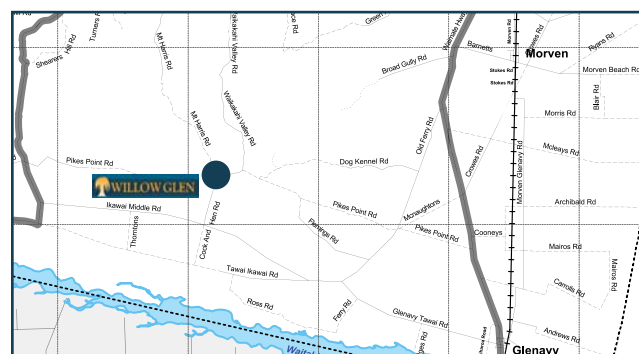

Willow Glen Stud is a 600 acre thoroughbred horse property located at Waimate in South Canterbury.

Operated by Mike and Barbara Cooney, the stud provides an idyllic quiet environment for horses and is a great place for young equine athletes to grow and develop.

We are ably assisted when required, by Anna Miles (TBA Gold medal scholarship winner) and Lucy Hennessy, both with a great deal of experience in NZ & internationally.

We are fortunate to have the best in veterinary care available at all times through the services of Pat Brooks from Vetlife North Otago.

We are proud of our two stallions - **Saperavi** and **Sunray** - and know that they offer breeders an extremely good choice for their broodmares in 2008. We welcome your inquires. Please don't hesitate to call - and don't forget to check out our new web site <http://www.willowglenstud.co.nz>
